

Dear Karen, Sorry about the delay in responding. Much preparation for status call on the King FOIA suit yesterday. We're coming along well, thanks to the official stone-walling. Next one 5/18.

6/11 or 12 looks fine. We look forward to your visit.

I'll be glad to do Ford's how but I will not have time to read Morrow's trash. Nor will I waste money on the book.

It is unfortunate these things manage to crawl out from under the rocks where it would be better if they remained.

I say these things on the basis of what I heard of his The Cabal a while back, not from a reading.

Please check when you plans firm. I have a medical appointment in Washington about that time. It has not yet been set. However, it will be for a few minutes, not for both days. The only other thing that could interfere is a court development.

Our best, HW 5/6/76

Karen

Best,

If you couldn't do the show with Morrow maybe he could work something out to have you on with West. I'm looking forward to seeing you and Lil again. I have a ton of things to ask you about.
